**New  
Tech!**

## A note regarding technology

We encourage your feedback regarding the technology; we will be able to zoom in a little more and have it more centered in coming weeks. Thank you for your patience!

St. Matthew's will be closed to in-person gatherings starting Nov 16  
In light of recent changes with covid-19 numbers, Bishop Jane has closed all Anglican Diocese of Edmonton parishes until further notice. We will still be live streaming :) See you online next week!

**Snow

## Looking for a way to serve this winter?

We are looking for a roster of snow angels to stay on top of the snow on the church property; if you are willing to join our army of angels, please reach out to the parish office
